

### APPROVED EXTERNAL WALL PAINT COLOURS

(Architectural Design Manual CI 4.1.2.4)

1. The approved external wall paint colours are listed in the table below – colour, code and page references are from the Dulux Colour Palette fanbook.
2. The colours listed may be specified and used in the applicable areas without the need to submit a sample for approval.
3. Where a similar colour, which is not listed, is desired a sample of no less than 1m x 1m shall be painted on the building for approval by the MVREHOA – the sample must be approved in writing prior to any paint work being executed.
4. A single “Primary Colour” and a maximum of one “Accent Colour” shall be chosen from the table below. The location and extent – maximum 30% - of the accent colour must be clearly marked on the plans for approval.
